

EMPLOYMENT OPPORTUNITY

Physiotherapist

Continuing Care Branch

Department of Health and Social Services

Competition No.: 09-ST15-06

Closing Date 5:00 p.m.: August 7, 2009

Salary: \$\$64,747 to \$\$74,751 per annum based on 75 hours bi-weekly

Continuing Care's philosophy is "Every action and decision performed by this position is founded on respect for the residents, for the promotion of their dignity, individual freedom, choice and lifestyle, and meaningful quality living." Our programs include residential programs in Extended and Intermediate Care, as well as Community Day programs and Home Care.

We are looking for a dynamic individual to promote the role of Physiotherapy in Continuing Care. Through a combination of creativity and strong clinical skills, you will incorporate individual and group programs into the daily lives of residents/clients. You will have the opportunity to work with residents/clients on a daily basis to support their mobility, strength, balance and flexibility. As a member of our transdisciplinary team you will bring the physiotherapist viewpoint to larger group activities and also provide education, through collaboration with other disciplines, to staff, residents and families on a range of topics from back care to fall prevention. Creatively integrating your physiotherapy skills and taking initiative within your scope of practice is a necessary factor in supporting quality of life for our residents within our homelike environment.

If this position interests you, please submit your resume clearly demonstrating the qualifications below as selection for further consideration will be based solely on the information you provide.

- Bachelor's degree in Physical Therapy from a Canadian University or Bachelor's degree from another University with successful completion of the national PCE exam
- Experience as a Physiotherapist, providing assessment and treatment in a long term care environment
- Experience supervising support staff would be an asset

Condition(s) of Employment: 2 StepTB testing; CPR Level C; security clearance; valid Yukon Class 5 driver's license; current Yukon Physiotherapist License.

Job Requirement(s): Exposure to animals, exposure to second-hand smoke when supervising residents and exposure to latex products as well as travel within the territory.

Approved candidates will be provided reimbursement of interview/relocations expenses if required, in accordance with the Interview & Relocation Expense Directive.
