COMMUNITY NURSING

WE ARE LOOKING FOR ADVENTUROUS REGISTERED NURSES

who wish to work to their fullest, autonomous scope of practice as a primary health care nurse in rural Yukon. As part of a small nurse-led health centre team, you will provide primary health and emergency care to rural Yukon residents in cross-cultural settings. We support you through an intensive and extensive mentorship to prepare you for this challenging and exciting role. We offer ongoing educational support, access to educational funds and an attractive benefits package.

There are options for full-time, part-time and relief positions. We now support paid flights for part-time rotations. There are daily direct flights from Whitehorse to major cities in BC and Alberta.
