

Pregnant?

The unadjuvanted H1N1 vaccine has arrived in Yukon

The unadjuvanted H1N1 vaccine is currently being offered to **pregnant women only** who have not yet been vaccinated and who prefer or have been advised to take this product.

UNADJUVANTED VACCINE CLINICS

Whitehorse Canada Games Centre

1pm – 6pm on November 9, 10, 12, 13.

All other Yukon communities

contact your local community health centre

NOTE Adjuvanted vaccine is still an option for pregnant women, especially for those in the second half of their pregnancy.

For further information, discuss with your health care provider or refer to the Public Health Agency of Canada's recommendations at:

www.phac-aspc.gc.ca/alert-alerte/h1n1/vacc/pregvacc-grossvacc-bck-eng.php

For more information about the flu and vaccinations, visit www.fightflu.ca, www.hss.gov.yk.ca or call 811.
