## How can you help?

Whether your vegetable garden is large or small, grow a little extra and donate to the Whitehorse Food Bank. Encourage your family, friends and neighbours to do the same!

## Which crops are best for donation?

All fresh produce is needed and will be appreciated! Plan to harvest and deliver your produce to the **Whitehorse Food Bank** in the same day to ensure that your donation is fresh.

## How does it work!

### STEP 1

Plant your seeds and nurture your garden.

### STEP 2

Harvest your produce, wipe the excess soil off and deliver the produce directly to the **Whitehorse Food Bank** during the drop-off hours.
