## SOCIAL SERVICE PROFESSIONALS

WE ARE LOOKING FOR ADVENTUROUS INDIVIDUALS interested in working in an environment where relationships with those around you is valued. The environment is welcoming and the work you perform will be meaningful. Yukon offers opportunities to those looking to become a member of the community where you work. As part of Yukon Health and Social Services, you will work collaboratively within a multi-disciplinary team. You will provide services and care for Yukon residents in partnership with First Nations across the Territory.

Yukon is a land of rich culture, natural beauty, outdoor adventure and welcoming people. Outdoor activities and artistic pursuits are everywhere, and our communities combine a vibrant history with a modern presence to create a way of life that is unique in Canada.

Your life is about more than your job, which is why we offer ongoing educational support, and an excellent benefits package, bonus pay programs, competitive pay and plenty of vacation time so you can enjoy all that life in Yukon has to offer.
