

# **WARNING**

## **ULTRAVIOLET RADIATION**

- **A person having a history of skin problems or having skin that is specially sensitive to sunlight should consult a physician before using ultraviolet radiation lamps.**
- **Failure to use approved ultraviolet blocking eyewear may result in severe burns or other eye injury.**
- **Certain medications (both oral and topical), cosmetics and lotions applied to the skin increase sensitivity to ultraviolet radiation.**
- **Overexposure can cause sunburn and eye injury similar to natural sunlight.**
- **If itching or discomfort develops, discontinue use immediately, and consult a physician.**
- **Repeated exposures can cause premature aging of the skin and skin cancer.**

**THIS SIGN IS TO BE POSTED IN PLAIN VIEW AND EASILY READABLE AT ALL TANNING LOCATIONS AND AT THE RECEPTION AREA.**
